

Don't Leave Your Fundraising to Chance

FUNDRAISING IS IMPORTANT TO YOUR ORGANIZATION, BUT WHAT TYPES OF ACTIVITIES ARE ALLOWED?

A Small Games of Chance permit comes with rules and requirements about how to collect and use the money that you raise.

Brush up on the law, eliminate confusion and get answers at a FREE Small Games of Chance Workshop presented by Liquor Control Enforcement Officer Christopher J. Burns from the Pennsylvania State Police Bureau of Liquor Control Enforcement.

The workshop, which is funded by the Cambria County Drug & Alcohol Program and presented by The Learning Lamp, will cover legal and illegal gambling, types of permitted Small Games of Chance, use of proceeds for holders of Club or Club Liquor Licenses, bingo laws and Special Occasion Permits.

Wednesday, June 27, 6 to 8 p.m.
