## **Employee Communication – 4/1/2020**

“We miss you!

As of 8 p.m., everyone in Pennsylvania will be on a stay-at-home order. Authorities are reporting the pandemic will get worse before it gets better. Please be a part of the solution. As Dr. Rachel Levine tells us daily: Stay home. Stay calm. Stay safe.

In the meantime, make sure you are following up on your unemployment claim and the instructions you will be sent in the mail. Check out the following link to see important dates on when you will need to file your biweekly claims based on the date of your initial claim: <https://www.uc.pa.gov/Pages/covid19.aspx>. Also, filing your 2019 taxes can expedite the arrival of your stimulus money.

If you run into a situation where you do not have enough food or other necessities, please contact us. We have some emergency dollars set aside for employees in dire hardship. (Leah's mom generously made a contribution to The Learning Lamp specifically for this purpose.) Contact me at [kcobaugh@thelearninglamp.org](mailto:kcobaugh@thelearninglamp.org) if you need our help.

We look forward to the day when we are all back on the job and working together. Until then, stay safe and healthy!”
