Employee Communication – 4/20/2020

“Today Governor Tom Wolf extended Pennsylvania’s stay-at-home order through May 8th. Wolf offered some positive news with the reopening of select businesses and the possibility that some areas of the Commonwealth that have not been hit as hard by COVID 19, like where we live, will have restrictions lifted sooner than virus hotspots.

Beginning, this week we will be reaching out to employees to see how you are doing. We know this is an exceptionally difficult time. Please let us know if there are ways we can be supportive.

The leadership team is also working on a plan for bringing people back to work. Much of that will be guided by timelines issued by the Department of Education and Office of Child Development and Early Learning. Our goal is to bring people back to work as quickly as we can. We are monitoring the news daily and will continue to update you.

In the meantime, wear your mask when in public. If you don’ have a mask, let us know, and we will try to find you one. As Dr. Levine says in her daily briefing, stay home, stay calm, and stay safe.”
