Employee Communication – 4/9/2020

“By now you have heard that Governor Tom Wolf closed schools for the remainder of this school year. This means many of our school district staff will not be returning until the start of extended school year or the beginning of the 2020-21 academic year.

Unfortunately, we do not know what this means for employees working in child care programs. We are awaiting additional instruction from the Office of Child Development and Early Learning. As soon as information is released, we will alert you.

In the meantime, continue to update your lack of work or reduced hours in the unemployment system. If you need food or other essential items, please let us know. We will do our best to meet your needs.

Thank you for your patience as we navigate this difficult situation. Stay safe and healthy!”
