Employee Communication – 5/5/2020

"I hope everyone enjoyed the sunshine this weekend. We are continuing to monitor the situation on the phased reopening of Pennsylvania and will update you as we know more. We are eager to have our counties moved into the yellow phase and start opening some of our programs back up.

In the meantime, if you are still having trouble with unemployment please contact me and I can try to assist you. If you have still not received your PIN and it has been longer than three weeks since you filed your initial claim, the Unemployment Office is requesting you complete a [PIN Reset Request](#) online. Once you receive your PIN, you can file for all missed weeks dating back to the first missed week of work. Additional details are [available here](#) on the UC website.

Thank you for your continued patience during this extremely challenging time."
