Employee Communication – 6/1/2020

“Countdown to green! With our counties moving into the green zone on Friday, we’re looking forward to the eventual return of business as usual. At the main office, employees will still have some flexibility in work schedules and be able to work from home as needed. Our goal is to have staff fully back in the office on August 4th. Fingerprinting services will be open to the public on June 15. Until then, it is available by appointment by contacting Monica at mpurazo@thelearninglamp.org. At child care programs, it’s been a slow start, with more children returning each week.

We are hopeful that with each passing week, the COVID crisis will lessen. We will continue to reach out to employees and update you with new information. In the meantime, if you need assistance, please reach out to our HR team. Thank you for your patience as we continue to navigate this unprecedented challenge.”

The mission of The Learning Lamp is to engage all children in the support they need to succeed. The Learning Lamp is a 501(c)(3) nonprofit organization, donations to which are tax deductible to the fullest extent permitted by law.
