### **COVID-19 Vaccination Update – 1/20/2021**

The Learning Lamp and Ignite Education Solutions is committed to keeping staff safe during these unprecedented times. As such, we are working diligently to provide information regarding COVID-19 vaccination status as it becomes available.

If you have received COVID-19 vaccination information from us or a school district that you work with, you have been approved for vaccination under Phase 1A.

If you have not yet received COVID-19 vaccination information from us or a school district that you work with, rest assured that we are working to secure vaccinations for all staff who are eligible and will distribute that information accordingly.

Please understand that not all staff are eligible under Phase 1A and instead must wait until Phase 1B vaccinations become available.

As always, please feel free to reach out to your supervisor or Human Resources with any questions you may have.

Thank you for your patience, cooperation and continued hard work!
