COVID-19 Update – 2/23/2021

The Learning Lamp and Ignite Education Solutions is committed to a safe work environment and keeping staff and children healthy during the pandemic. All programs are currently operating with strict health and safety plans in accordance with State and Federal guidelines to help minimize the spread of COVID-19. Some of these measures include:

- Masks being worn at all times by staff and children over the age of 2;
- Disinfecting of high touch areas frequently. This includes via fogging machines that disinfect all areas using a safe disinfectant, as well as disinfecting wipes;
- Social distancing;
- Temperature checks for all children and staff with anyone measuring over 100° F being sent home;
- Only allowing employees past the entryway at childcare centers and limited visitors to the main office; and
- Virtual meetings when possible.

As we continue to adapt to this “new normal,” we hope that you feel confident in our efforts to keep staff and children safe while on our premises.

Should you have any questions, comments or concerns regarding steps The Learning Lamp and Ignite Education Solutions is taking to reduce the spread of COVID-19, please feel free to contact our Human Resources Department:
