COVID-19 Update – 4/5/2021

Over the weekend, our region reported 504 new cases of COVID-19 for April 3rd and 4th. The Learning Lamp and Ignite Education Solutions continue to be committed to a safe work environment. All programs are continuing to follow our reopening procedures outlined in our COVID-19 Policy Handbook, which include:

- Cleaning and disinfecting of high-touch areas frequently. This includes via fogging machines that disinfect all areas using a safe disinfectant, as well as disinfecting wipes;
- Mandatory to wear masks at all times while at TLL Centers and education locations. Main office employees are required to masks when not alone in their workspace;
- Non-essential visitors are discouraged from entering premises;
- No parents and/or visitors are allowed past the entryway at childcare centers;
- All customers are required to wear masks while on premises, unless unable to do so due to a medical condition or under 2 years of age;
- Temperature checks for all children and staff with anyone measuring over 100° F being sent home.

We hope that you feel confident in our efforts to keep staff and children safe while on our premises. Should you have any questions, comments or concerns regarding steps The Learning Lamp and Ignite Education Solutions is taking to reduce the spread of COVID-19, please feel free to contact our Human Resources Department.

We appreciate your patience and cooperation as we navigate this ever-changing situation. Thank you for your patience and continued hard work!
