Kids’ Day Out provides a full day of exciting activities on days when school is not in session but parents are working. Days include Columbus Day, Veteran’s Day, Teacher In-Service Days, snow days and more.

Magic or Science? SEPTEMBER 3
Can a bar of soap change size? Is it possible to bend a straw with only your eyes? Is it magic or science? We’ll find out!

Five Senses OCTOBER II
Sight, sound, smell, taste, and touch. We’ll explore the five senses through taste and see if you can identify scents while blindfolded.

Glow Zone NOVEMBER I
How do glow sticks work? Learn about the chemical reaction that makes them light up, play a glowing game of tic-tac-toe, mix up some illuminating slime, and get moving at a glow-in-the-dark dance party.

Thank you, Veterans! NOVEMBER II
Celebrate our nation’s heroes! We will honor veterans by writing thank you notes, crafting poppy flowers and learning about the history of Veteran’s Day.

Going for Gold NOVEMBER I2
Bring on the red, white, and blue as we celebrate the Olympic games. We’ll craft torches, learning to throw straw javelins, and award medals to all participants.

Simple Machines NOVEMBER I5
Explore the power of levers and fulcrums and use a simple machine to build a racecar and launch ping pong balls into the air.

Turkey Time NOVEMBER 26
Gobble! Gobble! We’ll use our imaginations to go on a classroom turkey hunt and design posters to show what we are thankful for.

Super-You! NOVEMBER 29
It’s a bird! It’s a plane! It’s a SUPERHERO! We’ll craft superhero masks to hide our identity and learn about our own superpowers.

Candy Cane Lane DECEMBER 27
Did you know the candy cane is 350 years old? Learn how this tasty treat got its name and conduct experiments to see how it reacts to different liquids.

Snowman Factory DECEMBER 28
Let’s build a snowman! We’ll learn some frosty facts about snow, turn ourselves into life size versions of snowman, and play with fake snow!

Warm Weather Vibes DECEMBER 29
Cure the wintertime blues with a summer party! Heat things up with a hula-hoop contest, test your Limbo skills, and serve up some summer fun with an indoor beach volleyball game.

Happy New Year! DECEMBER 30
Three… two… one… Ring in the New Year by crafting noise makers and making a wish for 2022 and stuffing it inside your own hand-crafted fortune cookie.
RICHLAND ELEMENTARY SCHOOL
CARE AVAILABLE:
6 A.M. TO START OF SCHOOL DAY & END OF SCHOOL DAY UNTIL 6 P.M.

Join us for before and after school care that’s convenient for parents and fun for kids!

Care is offered Monday through Friday, and includes homework help, hands-on activities, and a healthy snack.

**MAKER MONDAY** - Design, create, experiment, build, invent, tinker and explore using a variety of tools and materials.

**STEM TUESDAY** - Learning is FUN when you fuse Science, Technology, Engineering and Math.

**AROUND THE WORLD WEDNESDAY** - Travel the world learning about different cultures without having to board a plane.

**ARTSY THURSDAY** - Creativity is the name of the game as students use their imaginations to explore art.

**FIT FRIDAY** - Let’s get moving! Fridays are all about getting up and active.

**TUITION IS $6.18/HOUR**
