Be the Change!
JANUARY 17
With Martin Luther King Jr. as our inspiration, we’ll share our vision of how we can create positive change in our world.

Founding Fathers

Celebrate the lives of those who built our nation. We’ll learn about US history as we craft Lincoln-style cabins out of sticks, imagine ourselves as president, and make patriotic garland out of stars.

Dancing into Spring!
MARCH 7
It’s starting to warm up and everything is about to bloom. To celebrate, we’ll learn about the stages of a butterfly’s life cycle and choreograph a rain dance.

Reduce, Reuse, Recycle!
APRIL 14
It’s starting to warm up and everything is about to bloom. To celebrate, we’ll learn about the stages of a butterfly’s life cycle and choreograph a rain dance.

Hip Hop Hooray!
APRIL 15
Hop on in for an “egg-cellent” adventure as we bounce down the bunny trail with Peter Cottontail searching for eggs and experimenting with egg painting techniques.

Camping Adventures
APRIL 18
Let’s head outdoors as we learn about camping and how to pitch a tent. We’ll share stories around a campfire and go on a scavenger hunt.

Moovin’ and Groovin’
APRIL 19
Learn to juggle balloons and discover ways to incorporate movement and exercise into everyday things like playing Uno!

Simple Machines
MAY 6
Simple machines make our lives easier? Learn how as we build a pulley system and craft race cars.
