ALOY MATEY!

June 3 - 7

Join our crew and set sail as we go on a treasure hunt, craft treasure to fill our chests, and decorate flags to be flown on our pirate ships.

DINO-ROAR!

June 10 - 14

Take a Jurassic Journey as we make leaves and food items for our dinosaur friends, craft triceratops heads, measure dinosaur footprints and compare them to ours, and design dinosaur masks.

COLOR SPLASH

June 17 - 21

Red - orange - yellow - green - blue, and every color in between! Immerse yourself in the world of color as we go on a scavenger hunt, conduct color experiments, and create spin art.

JUNGLE JOURNEY

June 24 - 28

Travel to a tropical rainforest and learn about the amazing creatures that live there. Learn about forest conservation and how it helps animals and the entire planet. We'll also play jungle-themed games, and taste test tropical fruits.

THINGS WITH WINGS

July 1 - 5 (program closed July 4)

Explore all things airborne as we craft and fly airplanes along a zip line and compete for the title "best pilot" as we test our skills at landing on a target.

BLOCK PLAY!

July 8 - 12

Let's build! We'll use building blocks to practice letter recognition, create patterns, and use measurements to search for items in the classroom.

POLAR EXPLORATIONS

July 15 - 19

Summer is heating up, but we are keeping it cool! Learn about the coldest places on earth and the animals that live there. We'll follow animal tracks, cross the ocean on ice blocks, and walk like penguins.

STORYBOOK SPLENDOR

July 22 - 26

Adventure into your favorite stories as we read, build houses like the three little pigs, craft silly trolls to guard bridges, and conduct fairy races to see who can fly the fastest.

OCEAN OASIS

July 19 - August 2

Get ready to make a splash and have some fun! We'll learn about ocean animals, craft crab claws out of paper plates, and conduct experiments to determine who salt water is different than regular water.

COWABUNGA!

August 5 - 9

Sand, sun, and surf! Learn to walk like a crab, build sandcastles, decorate ocean-themed cupcakes for snack time, and mix up baking soda dough to craft sea art.

GOODNIGHT, SLEEP TIGHT

August 12 - 16

We'll mix up our days and nights this week as we find out how many monkeys are jumping on the bed, make sheep to count, and build a ladder that reaches the moon.

CAMP CURIOUS

August 19 - 23

What happens to soap when you put it in the microwave? We'll examine this and other mysteries in a fun week of camp based on your curiosity!
